Where to Get Information

Infinity English on the Internet

Our English class has its very own Internet page (www.mrtracy.com) where students and parents can access grades, weekly assignments, vocabulary lists, and much more.

When a student is absent from my class, it is his/her responsibility to get the missing work from the Internet either at home, or here at school. There will also be a link to the grades which will be available through Infinite Campus. Check the Internet often to keep track of how your child is doing throughout the year.

Video Permission Slip

During the school year, we might be watching several videos to augment the curriculum. By signing the bottom of this letter, you are agreeing to let your child view these videos during the school year. If you do not want your child to view any particular film, send me an email or a brief note, and your child will be allowed to spend that period working in the library. The movies that we may be watching this year are: *Holes*, *Stargirl*, and *The Muppet Christmas Carol*.

Late Work Policy

In the event of an excused absence, a student gets an equal number of days when he/she returns to get the missing work turned in. If a student is absent for a quiz or a test, they can make up that quiz during nutrition time on any school day.

Unexcused late assignments will be worth 1/2 credit.

Online Textbook and Assignments

Students will have access to their textbooks online, and a majority of their classwork will be completed in Google Classroom. See the list of codes on the left of this page to get logged into the correct Google Classroom period.

Please sign below and detach this bottom section to let me know that you read this start of the letter. Your child will need to turn it in tomorrow in class.
